

# Family Communication

August 25-31st

Be Kind to Humankind Week

---

Dear Eagle (Insert School Name or Mascot Here) Family,

Good morning Eagles Family (insert school name or mascot here)! This week is Be Kind to Humankind Week! Be Kind to Humankind Week is an annual celebration of kindness that is recognized globally from August 25th-31st each and every year.

It is a time for us to reflect on what we can do in order to make this world a better place! We are challenging students to engage in a different act of kindness each day of the week! Carry on this week's theme by participating at home. You and your children will have the opportunity to learn more \_\_\_\_\_ (insert text from checked boxes below).

- From our counselor, teacher, or nurse
- During a homeroom or advisory class activity
- At the information table in the library, lunchroom, or (other public area)
- In this week's health classes
- In the KnowYourNeuro.org website
- Other \_\_\_\_\_

We encourage you to cultivate empathy this month with your children. Be Kind to Humankind Week offers an opportunity to teach children your family code. Get the steps to creating a Family Code in the KnowYourNeuro.org website's Families Page. Watch the videos about Empathy with your kids and use the handout to generate discussion.
