

Morning Announcements

August 31

International Overdose Awareness Day

Good morning Eagles (insert school name or mascot here)! Today is International Overdose Awareness Day. This is a global event held on August 31st each year that aims to raise awareness of overdose and reduce the stigma of drug-related death. You may have known and loved someone who died of a drug overdose.

Today we will remember those we've lost and learn how to prevent illicit drug use by protecting our frontal lobe and growing our executive functioning skills! You will have the opportunity to learn more _____ (insert text from checked boxes below).

- From your counselor, teacher, or nurse
- During the homeroom or advisory class activity
- At the information table in the library, lunchroom, or (other public area)
- In this week's health classes
- In the KnowYourNeuro.org website
- Other _____
